Offer Text : <i>Offer No:2730</i>	<p>Turkish Company (Bee-N Company) located in ANKARA, established in 2016 providing and exporting single use private label wet wipes is looking for partners for commercial co-operation (wholesalers, agents, dealers, distributors). Today, the company is exporting single use wet wipes to various countries. Manufacturing private label wet wipes according to their customers' requests is important as there are organization's brand logos, designs, contact numbers on the package. Making their advertisements on the wet wipes package is beneficial for organizations since organizations will make their advertisements free and effortless in this way. Organizations can draw consumers' or customers' attention with the help of single wet wipes. Their main target audience are restaurants, hotels, hospitals, cafes, airlines, universities because the demand is high for this product in these sectors in the market. Finally, making difference is very important issue, particularly in some service sectors such as restaurants, hotels and cafes. Bee-N Company provides this opportunity for the organizations by making private label single use wet wipes who will interest this product closely.</p>
