

## Build a Secure Cyberspace 2022 “Cyber Security in Simple Ways” Webinar

In the digital era, most of us have access to the Internet world, so it is easy to fall into the online traps and suffer a loss. This webinar is co-organised by the Hong Kong Computer Emergency Response Team Coordination Centre (HKCERT), the Office of the Government Chief Information Officer (OGCIO) and the Hong Kong Police Force (HKPF) to explore how to use the Internet safely and prevent cyber attacks with simple steps. The webinar will invite information security experts to share their experiences and insights on this subject. The details are as follows:

Date 20 May 2022 (Friday)  
 Time 14:30 - 17:15 (Online registration starts at 14:15)  
 Venue Webinar - Participant needs to prepare his/her own electronic device (e.g. desktop computer, notebook computer, mobile phone, etc.) with Internet access
